

Counter Attacks

added at v1.5

Now the placed cards will be able to attack if they got hit by an organic card.

In ECG, you can see the counter attack settings.

If the attacker card is organic & alive, and the defender card has counter attack option and it is alive, the counter attack will be triggered to the attacker from the defender.

In this sample, A attacks B, but could not kill it. B has counter attack option, so it attacked back t
